I want to homeschool our 1|2 Summer-born children until they go to Stanford|University Of Texas At Austin whilst living with us. I am 26 and prefer dating 18-36 year old females with a strong background in mathematics. I slightly prefer powerful, lean, waxed physiques, and standing|missionary penis in vagina sexual intercourse. Must be monogamous, into nudity, eventually agree to shaving head hairs < 10cm, kiss my neck often, and use 0 drugs, 0 fragrances including mint, 0 "body products". Email me at lazar_ilic@yahoo.com to schedule a date.
