Subject: Congratulations from Duke TIP

Dear Ilic Family,

I am pleased to inform you that Lazar has been named a Duke TIP 2011 Bevan Scholar as the result of his perfect score on the SAT Math section! As a Bevan Scholar he has earned a full scholarship to attend a Duke TIP Center-level summer program. The only costs for your family will be travel expenses and spending money. He may choose to attend this summer or next summer. Hopefully you have already received our summer program bulletin in the mail that describes the courses we are offering this summer. If you have misplaced it or have not received one, please go to www.tip.duke.edu/center where you can view Center courses. If Lazar would like to come this summer to either of the two terms offered at Trinity College in Texas or Davidson College in North Carolina, you must act quickly. I have attached the forms that you need to complete and then fax or mail to my attention as soon as possible. On **Monday, March 21st**, we will begin placing the general population of 7th graders in classes so the sooner we receive Lazar's completed application, the better his chances of being placed and getting one of his top choices. Each year we have a significant wait-list so we cannot promise that Lazar will be placed. The application period for 7th graders is very short because of the time it takes for us to receive all of the participants' scores from the testing agencies. If Lazar does not get in this summer, he will have an easier time next year as an 8th grader, and we will contact you in December concerning the application process and deadlines.

We know that you are proud of Lazar's accomplishments and we share in your pride and are thrilled to have him in our program. We realize that we are offering an opportunity that must be quickly evaluated along with other summer plans that your family might be considering and issues related to attending a residential program possibly for the first time. We can assure you that we have very few, if any, students who leave because of homesickness and that we frequently have complaints from parents who cannot understand why they aren't hearing from their children!

The next steps in this process are:

- ***Important*** Let me know that you received this e-mail. This will enable me to contact families in another way if I do not receive a confirmation that this e-mail was delivered and read.
- Review the dates of the sessions and courses offered www.tip.duke.edu/center.
- If Lazar would like to attend, complete the forms I have attached and fax(preferred) OR mail them ASAP to my attention.

o Fax # 919-684-0221

o Judy Fenton

- o **Duke TIP**
- o **1121 W. Main Street**
- o **Durham, NC 27701**

- If Lazar wants to wait until the summer of 2012, please let me know that ASAP.

We will publish the names of the 2011 Bevan Scholars in the programs distributed at the recognition ceremonies held in each state and at Duke University, on our website, and in a press release. We include the student's name, school, city and state. If you do not want Lazar to be included on the lists, please let me know by **next Friday, March 18th**.

Do not hesitate to call me at 919-668-9134 if you have any questions. If you cannot reach me, you may contact Dorothea Lewis in Admissions at 919-660-0085. Congratulations again and enjoy the rest of the day. I look forward to hearing from you.
