Office of the Registrar

SEMESTERS, SESSIONS, AND TERMS: An academic year consists of consecutive fall and spring semesters and the following summer session. A semester normally is about sixteen weeks long. The summer session comprises a first term (f) and a second term (s) each six weeks in duration; work also is offered on a nine-week basis (n) and a whole-session or twelve-week basis (w). The same academic credit is given for a course whether it is taken in the long session or the summer session.

ACADEMIC CREDIT: The unit of measure for academic credit is the semester hour. Most courses meet three hours a week in the long-session semester and have a credit value of three semester hours. The same courses meet for seven and one-half hours a week in a six-week summer term and have a credit value of three semester hours. For students enrolled in graduate programs, GPA hours and hours-passed reflect only those graduate-level courses (excluding thesis, dissertation, report, and treatise) and certain in-residence upper-division undergraduate courses taken while the student was enrolled in the Graduate School. Upper-division undergraduate courses taken in the fall of 1999 through the summer session of 2008 are not included.

COURSE NUMBERING SYSTEM: Courses are designated by a three-digit number or a three-digit number with a capital letter affixed. The first digit in the course number indicates the value of the course: 001-099 indicates zero credit value; 101-199 indicates one semester hour credit; 201-299 indicates two semester hours credit; 301-399 indicates three semester hours credit; and so on. The last two digits indicate the rank of the course: 01-19 indicates lower-division rank; 20-79 indicates upper-division rank; and 80-99 indicates graduate rank.

All courses in the School of Law and some courses in the College of Pharmacy are considered professional rank.

Two courses with the same abbreviation and the same last two digits may not both be counted for credit by a student unless the two digits are followed by a capital letter. Some courses may be repeated for credit. Those courses are indicated in the University's catalogs.

PREFIXES AND SUFFIXES: The suffix letters A, B, and X, Y, Z indicate that a part of the course was given. A suffix of A or B divides the course into two parts; X, Y, or Z divides the course into three parts. In each case, the semester-hour credit given for the course is reduced accordingly.

The prefix letters f, s, n, and w indicate the terms of the summer session (see above) in which the course was offered: f indicates first term; s indicates second term; n indicates nine-week session; and w indicates whole session.

For grading systems used prior to 1979, contact the Office of the Registrar.

Through the summer session of 2009, plus and minus grades are reserved for graduate, graduate business, and law students enrolled in graduate-level, non-law courses. Beginning fall of 2009, plus and minus grades are valid for all students.

A course dropped by the twelfth class day of a long-session semester (fourth class day of a summer session term) is not entered on the permanent academic record.
Prior to fall 1981, NC grades did not appear on the transcript.

SCHOOL OF LAW

Prior to 1990-1991

The School of Law employed a numeric grading system with the following alpha equivalents:

85 - 100 = A
75 - 84 = B
65 - 74 = C
60 - 64 = D
BELOW 60 = F

1990-1991 - Present

Letter Grade	Grade Points Per Sem Hr.[2]
A+	4.3
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
D	1.7
F	1.3

1. na = not applicable to gpa calculation
2. Official grade point averages are not calculated for students in the School of Law.
3. Grade interpretation is applicable to undergraduate students.

During the spring 2020 and the summer 2020 semesters, ACC has temporarily added two grades to the College's grading system. A P grade (Pass) is equivalent to a grade of C. A P grade will reflect credit hours attempted and credit hours earned, however it is not used in calculating the grade point average. An NP grade (No Pass) does not carry any earned grade points and is not used in calculating the grade point average.

Transcript Key

Accreditation

Austin Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award AA, AS, AAS, AAT, BSN and BAT degrees, as well as Certificates of Completion in specified programs.

Calendar

The academic year consists of fall and spring semesters of 16 weeks each, with a short semester of 12 weeks included in the fall and spring. The summer semester consists of two 5 week sessions and a 10-week session. Shorter sessions are often offered during any semester.

Course Numbering System

ACC uses the Texas Common Course Number System for most courses except developmental. The first digit of the course number indicates the level at which the course is taught (e.g. 1 = freshman, 2 = sophomore). The second digit indicates credit-hour value, and the third and fourth digits indicate course sequence. Prior to adopting the Texas Common Course Number System, ACC used the following system: The first digit indicated the level at which the course was taught and the fourth digit indicated the credit-hour value. This system is still used for developmental courses.

Grading System

The unit of measure for academic credit is the semester hour. The transcript reflects two grade point averages: 1: All college work taken at ACC, which might include developmental courses and, 2: All college work taken at ACC which excludes any developmental courses.

Grade	Definition	Grade points per semester hour
A	Excellent	4
B	Good	3
C	Satisfactory	2
D	Minimum passing	1
F	Failing	0
I	Incomplete	Not computed
IP	In Progress (for developmental courses only)	Not computed
S/U	Satisfactory/Unsatisfactory	**
W	Withdrawal	Not computed
AU	Audit	Not computed
CR	Credit given	Not computed
NC	No credit (used 1973 -1979)	Not computed
CIP	Grade not reported by instructor	Not computed
*	Repeated Course	Not computed

All grades for repeated courses appear on the transcript. In general, when non-developmental courses are repeated, only the highest grade earned for the course will be used in calculating the grade point average.

** Satisfactory/Unsatisfactory: A Satisfactory grade is defined as the equivalent of a "C" grade or better. An "S" (satisfactory) achieved in a course under a Satisfactory/Unsatisfactory option will not be used in calculating GPA. A "U" (unsatisfactory) received in a course taken under a Satisfactory/Unsatisfactory option will be used in calculating GPA.

Academic Standing

Good Standing - students who have maintained a 2.00 GPA or better on a scale of 4.00.

Academic Warning - students who fail to earn a GPA of 2.0 or above after attempting one credit hour.

Academic Probation - students on Academic Warning who fail to maintain a GPA of 2.0 or above after being placed on Academic Warning.

Academic Suspension - students on Academic Probation who fail to maintain a 2.0 GPA or above after being placed on Academic Probation. Students are suspended for one semester.

Academic Probation - students who are allowed to re-enter the College after a period of Academic Suspension. Students may continue on probation during semesters in which they earn at least a 2.0 semester GPA, until they reach a cumulative GPA of 2.0 or above.

Note: Definitions of Academic Standings have changed over the years at ACC. Contact the Executive Dean of Admissions, Enrollment and Completion for information about previous definitions.

Academic Honors

Honors are awarded for semesters in which the student completes 12 or more credit hours and is in Academic Good Standing.

Scholastic Leadership Roll - a GPA of 3.50, but less than 3.75 (on a 4.00 scale)

Scholastic Excellence Roll - a GPA of 3.75, but less than 4.0 (on a 4.00 scale)

Chancellor's Honor Roll - a GPA of 4.0 (on a 4.00 scale)
